

## Power Washing

We cover all pressure washing tasks from general cleaning of car parks, driveways and patios to large scale building cleaning.

Aswell as our commercial power washing service, we also undertake a range of specialist power washing tasks such as:

- Granite, Stone, Cobble and Decking.
- Entrance ways, Pavements and walls.
- Removal of Graffiti, Moss, Algae and Chewing gum

We also offer a nationwide chewing gum removal service focusing on public spaces such as pavements, footpaths, block paving, car parks, driveways or walls.

We can cover anything from select one off jobs to a large contract covering the whole town or city. Night and weekend working is no problem.
